Team Formation & Infrastructure

Course: Introduction to Data Mining

Project Phase: Team Setup & Collaboration Framework

1. Group Information

Role	Name	Email
Member 1	Eric Ho	eho4@charlotte.edu
Member 2	Aaron Putnam	jputna18@charlotte.edu
Member 3	Ethan Park	epark23@charlotte.edu
Member 4	Erich Then	ethen@charlotte.edu

2. Operational Norms

Preferred Mode of Communication: *(Please check one as the main one)*

[ ] Google Chat

[ ] Campuswire Chat

[ ] Discord

[ ] Email

[ ] Whatsapp

[ ] GroupMe

[ ] Zoom

[ ] On campus

- ☑ ~~[ ] Other: ___Text Message_____~~

Software Sharing Infrastructure: *(Please check one)*

[✓] **GitHub** (Recommended: provides professional version control)

- ☑ ~~[ ] **Google Drive** (Only for non-code assets/drafts)~~

Weekly Sync:

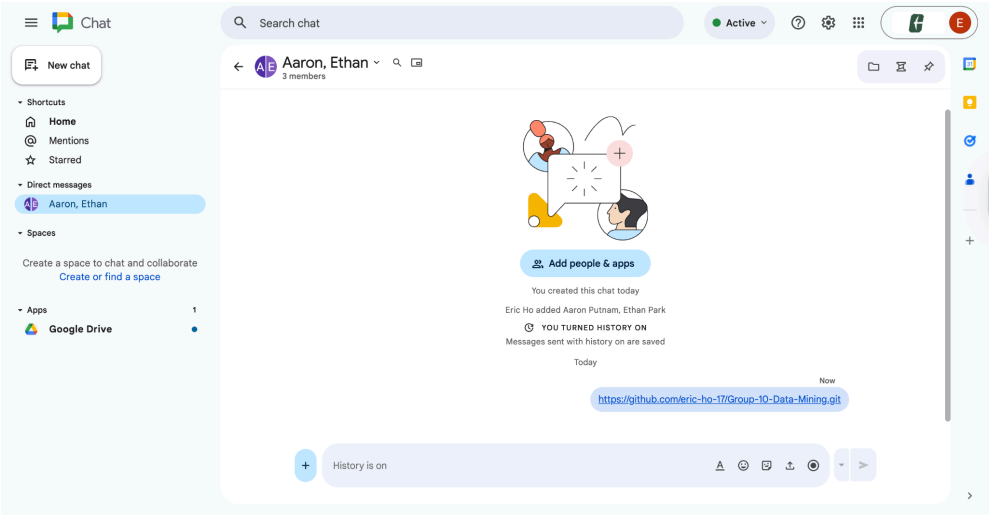
- **Scheduled Meeting Time:** _____Every Thursdays at 6pm_____
- **Zoom/Meeting Link:** _____https://charlotte-edu.zoom.us/j/91674708271_____ _____
  (Note: Please ensure this is a recurring link with all members added/invited)

3. Submission Proof & Requirements

Please attach the following documentation to this file before submitting.

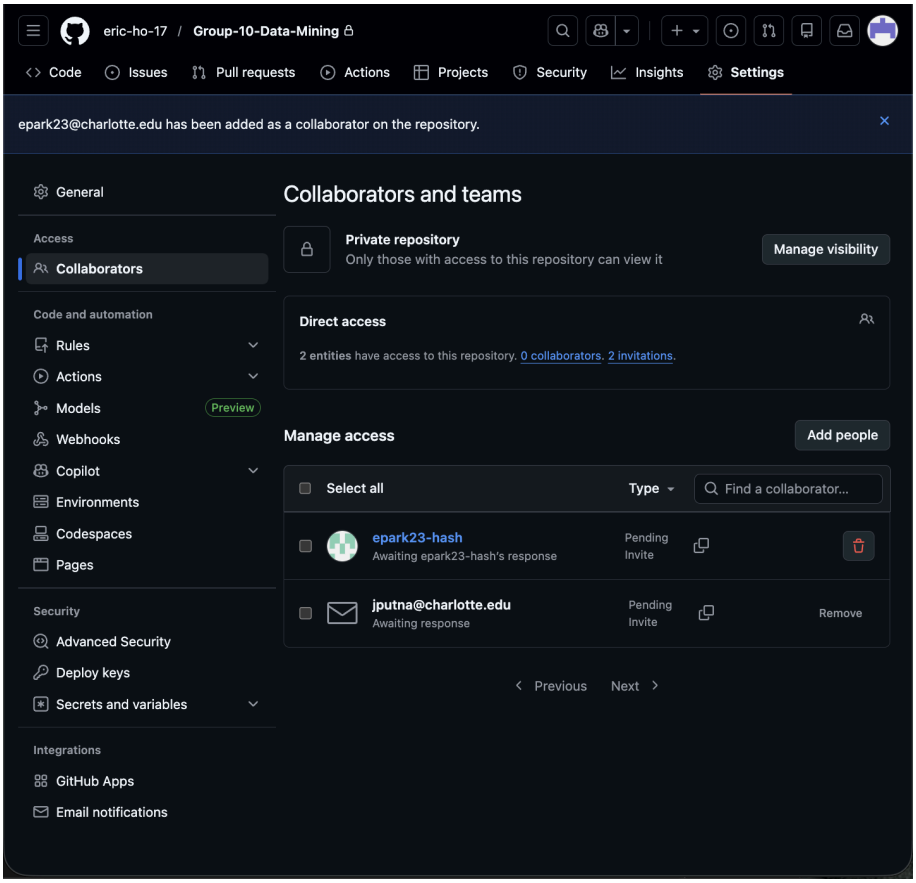
A. Communication & GitHub Verification:

- Attach a screenshot of your primary communication channel (e.g., Discord server, Slack, Email, Google Chat) that shows the **GitHub Repository URL**
- **NOTE: I (erich) am apart of this communication as well so**



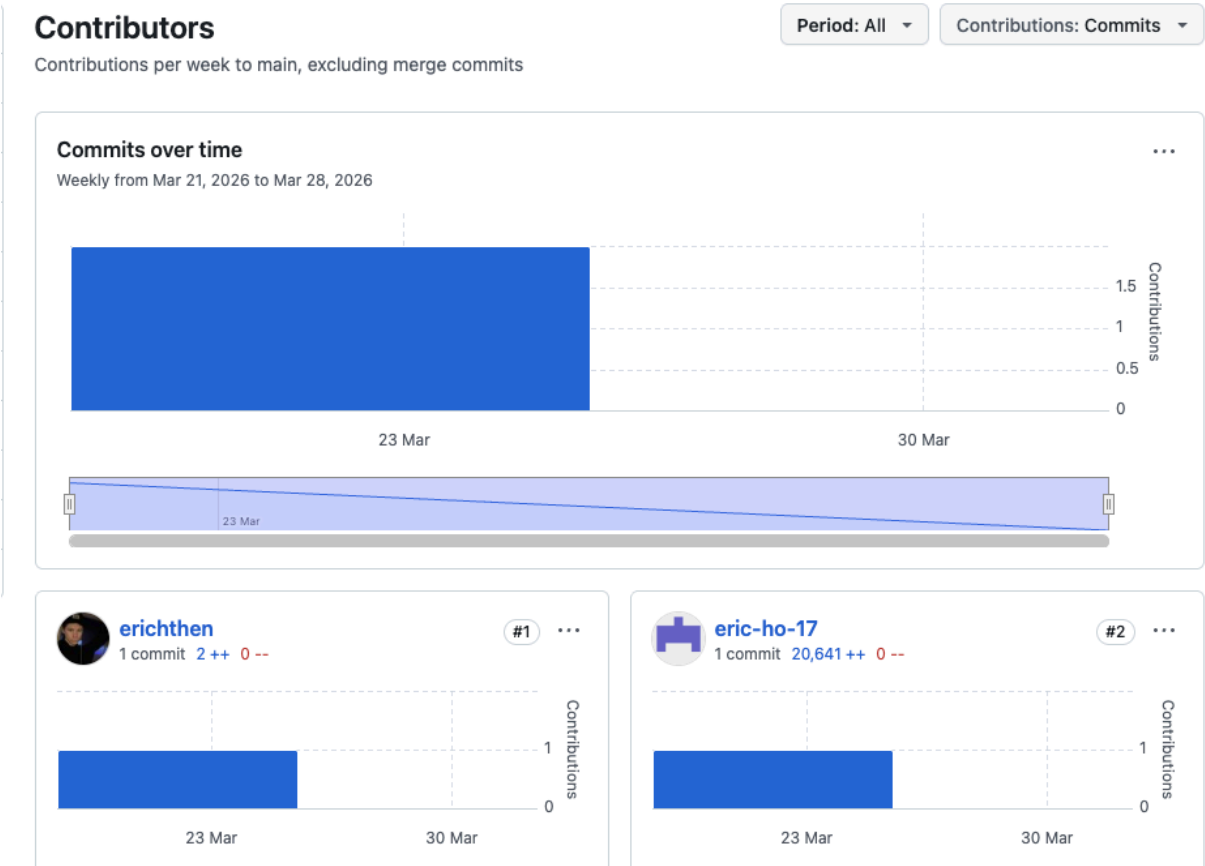
or

google folder link has been shared with all group members.



B. Software Sharing Proof:

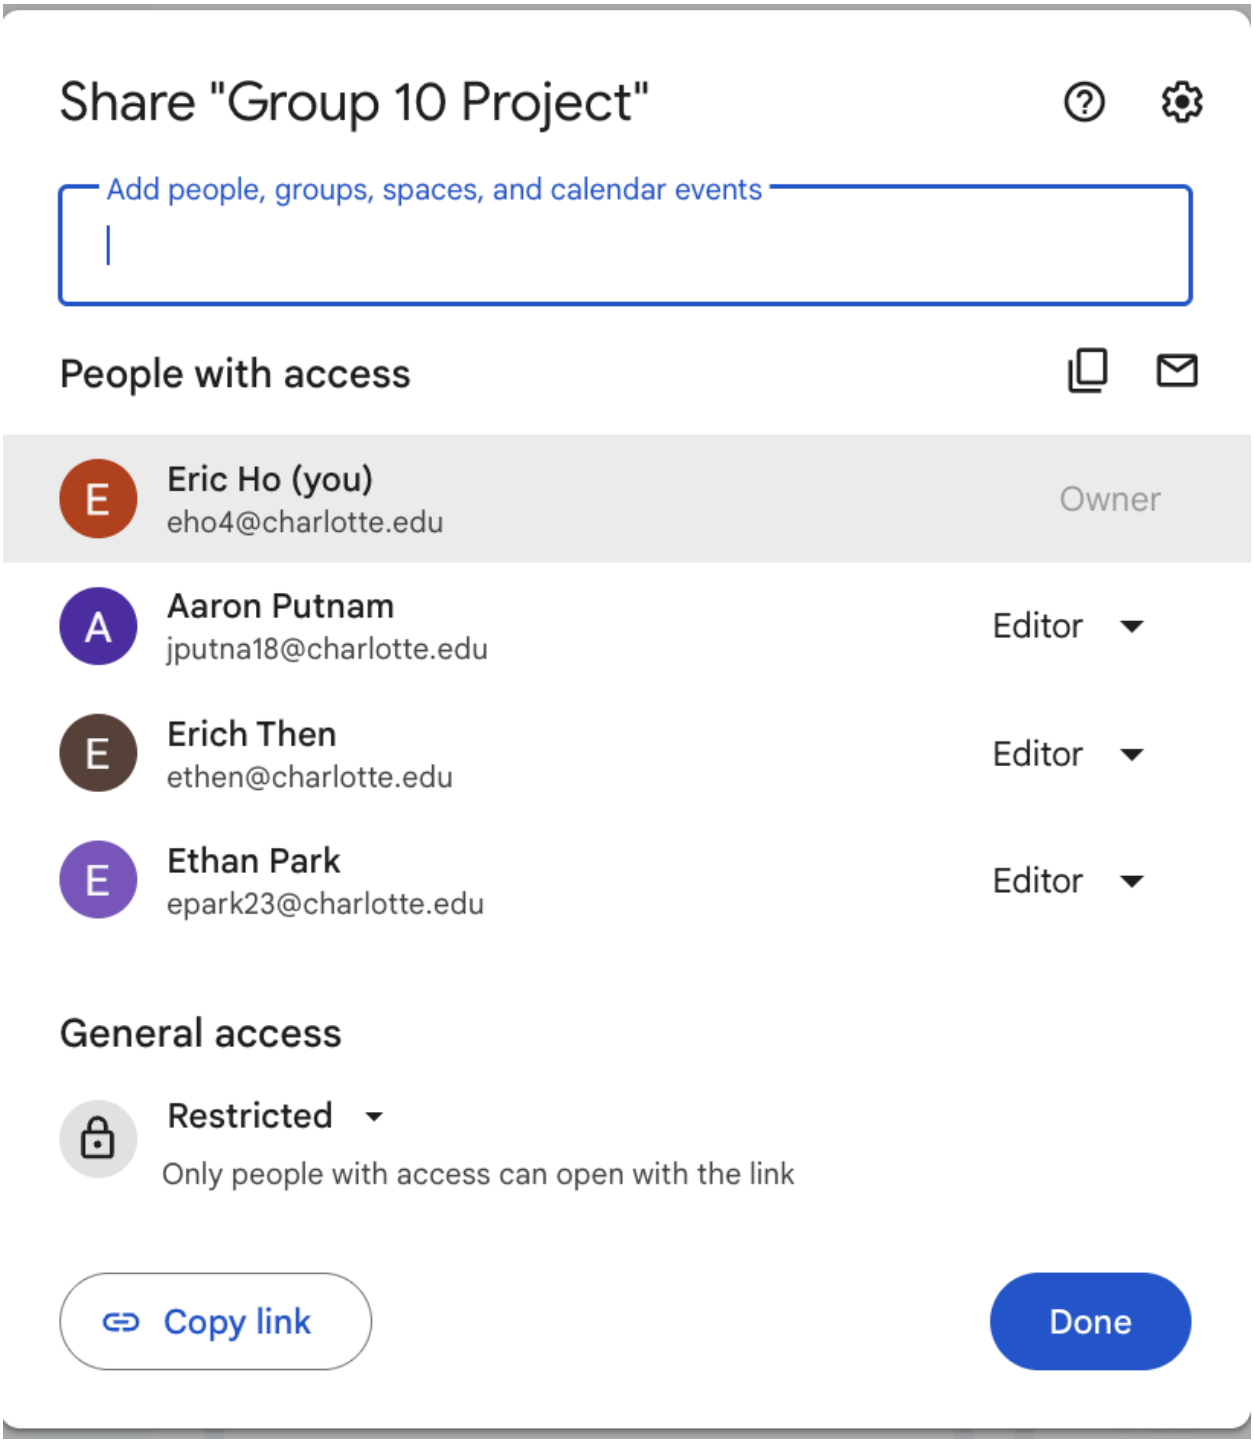
- **If GitHub:** Attach a screenshot of the repository "Contributors" page OR a screenshot of each member's individual GitHub profile.



Note: All group members have GitHub and have accepted the invitation, however there has not been a need for them to contribute yet.

- **If Google Drive:** Paste the link to a **shared folder** that contains all group members. *Ensure the folder is set to "Anyone with the link can edit" or is*

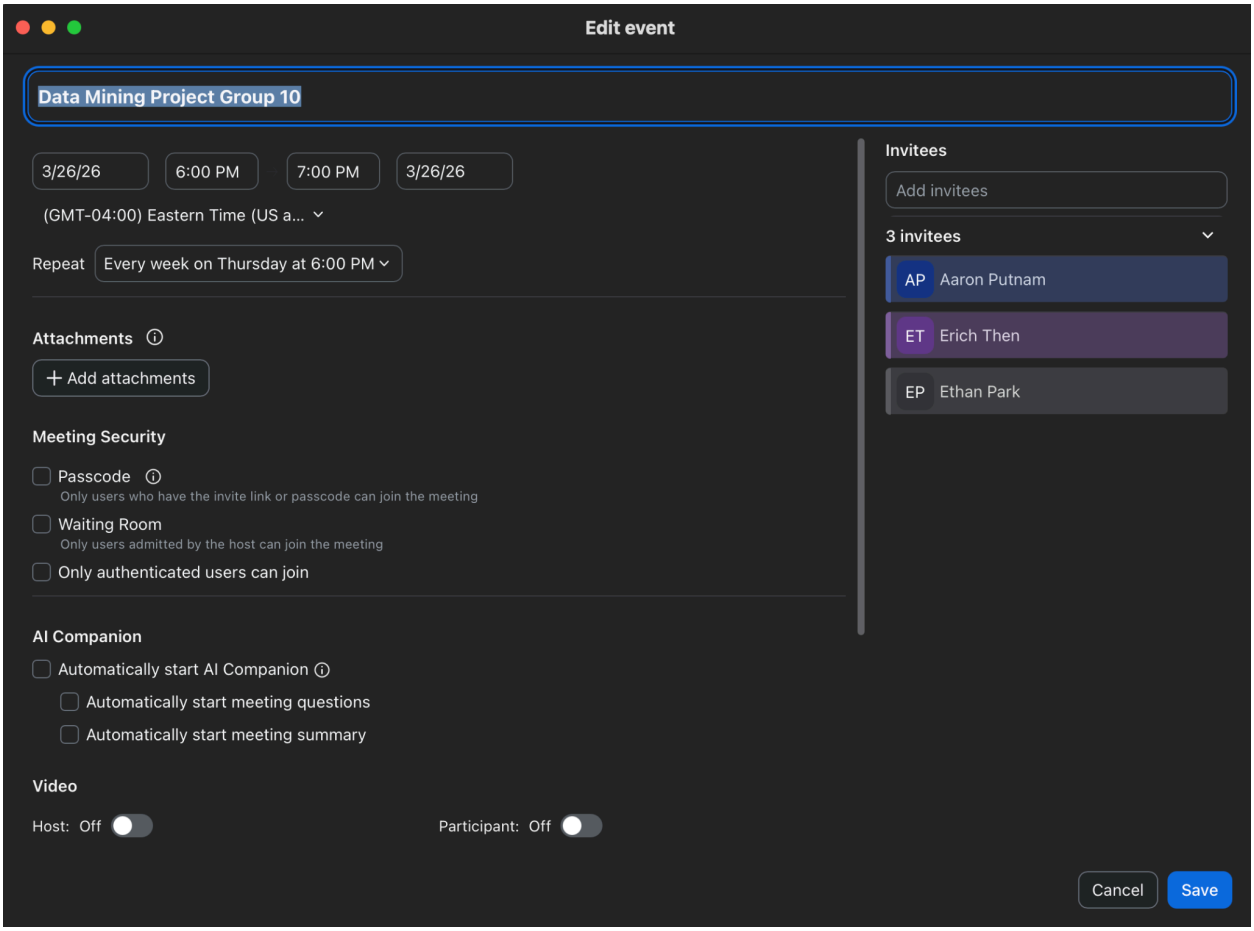
shared explicitly with all team members.



C. Meeting Verification:

- Attach a screenshot of the calendar invite or Zoom meeting settings confirming the **recurring** weekly time and that all members are added to the

invite. 



4. Submission Checklist

Before you upload your document to Canvas, ensure you have checked every box below. Incomplete submissions will not be accepted.

- ☑ ~~[ ] **Group Details:** Are all member names and emails filled out?~~
- ☑ ~~[ ] **Communication:** Have you selected your primary mode of communication?~~
- ☑ ~~[ ] **Topic Selection:** Has your team decided which topic you will work on for the course project?~~
- ☑ ~~[ ] **Repository:** Is the link to your shared GitHub repository or Google Drive folder included? Do you include a README.md? Do you plan to include the "Contribution Log" to the README.md?~~
- ☑ ~~[ ] **Meeting:** Is your weekly meeting time confirmed, and have you attached a screenshot of the **recurring Zoom/Calendar invitation** showing all members are added?~~
